DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Claims 23 and 24 were inadvertently omitted from the heading of grounds of rejection in the non-final office action mailed August 27th 2008. Additionally, the limitations recited in claim 8 has been addressed during the course of prosecution (non-final office action mailed on June 1st, 2007) and inadvertently omitted in subsequent actions. The Examiner's Answer mailed on December 31st, 2008 is hereby vacated to address these inconsistencies and a new one will be forthcoming.
